

Matthew 5:6-8

The Topsy Turvy Kingdom

Sunday the 25th of July 2021 we're looking at the Sermon on the Mount, specifically the Beatitudes

The Main Idea:

Blessing in God's Kingdom is given to those who desire what is good and right.

Jesus taught that those who follow him must live according to his teachings. To be 'blessed' means more than being happy – it involves the idea of God's congratulation (praise) or approval. The beatitudes consist of a series of praises for those who follow Jesus and describe what the normal Christian life is like. Jesus rules over a Topsy Turvy Kingdom which is different to the world that we live in. Jesus' teaching is about how people who belong to the Kingdom are completely different, firstly because of their trust in Jesus alone and then secondly because of their changed behaviour.

Kids' Content

By clicking on this icon you will find:

A video that will raise the Big Idea we are discussing from the Bible Passage to watch together.

Kids' Sermon Notes are available to use with children from Year 1 + (although younger children may want to engage with the material too and will manage it!). In the notes there is a space to write or draw as they listen as well as some other activities including a colouring in sheet or two.

For younger children during the live stream either set them up with the colouring page or we suggest you set up an activity they are familiar with and you know they will enjoy doing for a while.

By clicking on this icon you will find:

A series of questions based on the reading and video. There are two main type of questions.

1. Look for it (comprehension questions) - younger kids can use their memories; older kids - get them to actually find the answer in the text.

2. Think about it (What do these verses mean? What can we learn from the Bible story?) - and how we can together remind one another of those things.

A prayer to pray in response to the discussion you've had. One person could lead this or you could pray it together.

A guided prayer model to prompt all family members to pray together.
